Sir,

I have the honour to state that the duties devolving on the Sanitary Inspectors of the Mysore City Municipal Council are many and varied, and they have to work strenuously both day and night during Dasra, Birthday and such other frequent festive occasions and visits of distinguished guests etc During the prevalence of epidemics they are exposed to various dangers but their pay and prospects are not equal to their work here At the present rate of increment of 2 and 5/2 given to them in the grades between 35 and 87 they will have to put in 23 years' approved service in addition to their probationary period of 2 years, to reach the maximum pay of Rs.87 They also represent that Sanitary Inspectors of K G F and Bangalore City are on a better footing and in addition, those that are in K G F have been given free quarters Living is also more costly than in other places In view of the above, the Municipal Council on the recommendation of the Health Committee, at their meeting held on 24-11-1928(copy enclosed) have resolved unanimously that the rate of annual increment for Sanitary Inspectors be raised from Rs 2 to Rs 5 This proposal involves an additional cost of Rs 601 per year as per proposition statement enclosed herewith The extra cost will be met from general savings in the Budget durirg the current year and due provision will be made from the ensuing year

I request that sanction of Government may kindly be accorded to the raising of the increment of pay of Sanitary Inspectors pay of the Mysore City Municipal Council from Rs 2 and 5/2 to Rs 5/- per year as resolved by the Council

I have the honour to be

Sir,

With reference to your letter No L 6178/Ml 2-28-102 dated the 20th March 1929, calling for my opinion on the proposal of the President, Mysore City Municipal Council, in the matter of accelerating the rate of increment of the pay of Sanitary Inspectors, Mysore City, I have the honour to state that I do not see any special circumstances justifying the preferential treatment recommended

I can certainly understand and would strongly support any proposal which will affect alike the Sanitary Inspectors throughout the State

At the same time I have no objection to recommend the grant of anything extra in the way of local allowances to the Sanitary Inspectors of Mysore City But such will cease on their transfer to any other Local Body

I have the honour to be,

Sir,

Your most obedient servant
